2955 S. Haggerty Road, Canton MI 48188

Careers In Energy

MIAT College of Technology Campus October 19, 2017

Michigan's Governor has declared October 15-20 Careers in Energy Week:

"Michigan's energy industry currently boasts more than 97,000 jobs with this total demand projected to increase by 9.4 percent through 2024. This reflects a vital need to increase Science, Technology, Engineering, Math (STEM) and skilled trades training to increase the number of Michigan residents ready to fill the growing gap in the workforce pipeline." - (http://www.michigan.gov/snyder/0,4668,7-277-57577_59874_75291-394741--,00.html)

Get information from industry speakers!

Be sure to attend the free sessions at 5:30 to 6:30 pm and 6:30 to 7:30 pm

Rick Covell
Operations Manager

Jesse Harvey
Wind Technician II

Tour the campus and explore related programs offered at MIAT College of Technology.

"MIAT gives you the knowledge and training to succeed in global companies like Siemens Energy Inc. They allowed me to do what I love, and gave me the skills I needed to succeed!"
