## Energy Workforce Consortia Game Changer Award

This award will honor one consortium annually for their programming and outreach to create and build awareness for energy careers within the state or region, support for members within the area, and involvement in CEWD supported programs.

Entries will be evaluated on evidence of dedication to creating awareness of careers in energy while exhibiting strength in community, collaboration, and partnership through the state or region represented by the consortia. Demonstration of thoughtful, impactful, and intentional strategic initiatives accomplishments are expected.
